Name Information

Have you had a vedic consultation with me before?

Name at Birth:

Name changes
(if any) with date:

Birth Data

Date of Birth:

In Format: Date/Month/Year

Time of Birth:

Place of Birth:

Country of Birth:

Source of birth data:

(Please mention the source of the birth data to check the accuracy – i,e from a birth certificate, or record from a book, etc.)

Data Verification procedure

Can you please list three significant events in your life, like your date when you left your country of birth, date of marriage, calamity or ill health of siblings, birth of children or your own major ill health? We are asking this so that if necessary we need to adjust your recorded time to the second or minute. Please provide event name and date and month and year, if possible.

Consultation

After selecting a type of consultation, can you please list the questions you would like me to address?

Please indicate the following:

Are you following any spiritual practices of any faith?

Would you consider using practices such as pranayama, meditation, yoga or mantras for remedies or you would prefer using gemstones as remedies?

All information provided herein, is absolutely confidential. Om Tat Sat
